PROFESSIONAL EXPERIENCE

01/2006 – 07/2007 & 01/2008 – Present
Web Team
St. Edward's University // Austin, Texas
Updated university web pages, dealing with standard updates, forums, graphics, and making significant contributions to St. Edward's web presence. Working closely with Web Team members and other university employees on specific updates or projects. Deals with hand-coding HTML and CSS, working on Windows XP and OS X, and understanding accessibility issues.
Programs used include: Dreamweaver, Fireworks, Photoshop, Illustrator, Drupal, and other HTML editors.

05/2003 – Present
Graphic Design Freelance
Includes designing websites for companies, identity, creating various posters for bands, and designing t-shirts.

07/2007 – 12/2007
Graphic Design Intern
Lance Armstrong Foundation // Austin, Texas
Assisted with the development and design of core LAF graphics, collateral, and event materials along with helping to design/develop core collateral updates. Projects included LAF greeting cards (birthday and holiday), Post-it note cubes, business cards, and LAF web related graphics.

08/2005 – 01/2006
Telecommunications
St. Edward's University // Austin, Texas
Completed web submitted requests by university faculty and staff. Involved learning telephone switches, running and installation all forms of cable (Cat5, Cat6, Coax, Telephone). Worked with students, faculty, staff, and other Telecommunications employees.
