Experience:

Umlauf Sculpture Garden May 2009- August 2009

Sculptor to Be Teacher

Taught five to ten children, ranging in age from six to twelve, specific art projects. Developed lesson plans and supply lists beforehand to teach specific things such as sketching and the color wheel. All the while directing the children step by step through an effective workflow process learning how to plan and carry-through with a proposed project.

City of Georgetown May 2008- August 2009

Camp Goodwater Counselor

Was in charge of ten five to six year olds at a day camp. We had many activities including canoeing, archery, arts and crafts, swimming, and field trips. With fellow councilors and supervisor, coordinated children's schedules, instructions, snacks and reminders.

Education:

St. Edward's University Fall 2006- Spring 2011

Majoring in Graphic Design and Art Education Certification EC-12 GPA: 3.68

St. Edward's University is a private university with a small student to teacher ratio that expects excellence and promotes a global view on contemporary world issues. Chose these two degrees because they complement each other to give a wider range of skills and abilities in the field of design.
